4. Notwithstanding the provisions of paragraphs 1 and 2, where a person - other than an agent of an independent status to whom paragraph 5 applies - is acting in a Contracting State on behalf of an enterprise of the other Contracting State, that enterprise shall be deemed to have a permanent establishment in the first-mentioned State if :

- (a) he has and habitually exercises in the first-mentioned State an authority to conclude contracts on behalf of the enterprise, unless his activities are limited to those mentioned in paragraph 3 which, if exercised through a fixed place of business, would not make that fixed place of business a permanent establishment under the provisions of that paragraph;
- (b) he has no such authority but habitually maintains in the first-mentioned State a stock of goods or merchandise from which he regularly delivers goods or merchandise on behalf of the enterprise, and some additional activities conducted

An enterprise of a Contracting State shall not be deemed to have a permanent establishment in the other Contracting State merely because it carries on business in that other State through a broker, general commission agent, or any other agent of an independent status, provided that such persons are acting in the ordinary course of their business. However, when the activities of such an agent are devoted wholly or almost wholly on behalf of that enterprise and the transactions between the agent and the enterprise are not made under arm's length conditions, he shall not be considered an agent of independent status within the meaning of this paragraph.

6. The fact that a company which is a resident of a Contracting State controls or is controlled by a company which is a resident of the other Contracting State, or which carries on business in that other State (whether through a permanent establishment or otherwise), shall not of itself constitute either company a permanent establishment of the other.

### **III. TAXATION OF INCOME**

ARTICLE 6 : *Income from immovable property* - 1. Income from immovable property (including income from agriculture or forestry) may be taxed in the Contracting State in which such property is situated.

2. For the purposes of this Agreement, the term 'immovable property' shall be defined in accordance with the law and usage of the Contracting State in which the property in question is situated. The term shall in any case include property accessory to immovable property, livestock and equipment used in agriculture and forestry, rights to which the provisions of general law respecting landed property apply, usufruct of immovable property and rights to variable or fixed payments as consideration for the working of, or the right to work, mineral deposits, sources and other natural resources; ships and aircraft shall not be regarded as immovable property.

ARTICLE 7 : *Business profits* - 1. The profits of an enterprise of a Contracting State shall be taxable only in that State unless the enterprise carries on business in the other Contracting State through a permanent establishment situated therein. If the enterprise carries on or has carried on business as aforesaid, the profits of the enterprise may be taxed in the other State but only so much of them as is attributable to :

(a) that permanent establishment, and

(b) sales of goods and merchandise of the same or similar kind as those sold, or from other business activities of the same or similar kind as those effected, through that permanent establishment.

2. Subject to the provisions of paragraph 3, where an enterprise of a Contracting State carries on business in the other Contracting State through a permanent establishment situated therein, there shall in each Contracting State be attributed to that permanent establishment the profits which it might be expected to make if it were a distinct and separate enterprise engaged in the same or similar activities under the same or similar conditions and dealing wholly independently with the enterprise of which it is a permanent establishment. In any case, where the correct amount of profits attributable to a permanent establishment is incapable of determination or the ascertainment thereof presents exceptional difficulties, the profits attributable to the permanent establishment may be estimated on a reasonable basis provided that the result shall be in accordance with the principles laid down in this Article.

3. In the determination of the profits of a permanent establishment, there shall be allowed those deductible expenses which are incurred for the purposes of the business of the permanent establishment, including executive and general administrative expenses, whether incurred in the State in which the permanent establishment is situated or elsewhere as are in accordance with the provisions of and subject to the limitations of the taxation laws of that State. However, no such deduction shall be allowed in respect of amounts, if any, paid (otherwise than as a reimbursement of actual expenses) by the permanent establishment to the head office of the enterprise or any of its other offices, by way of royalties, fees or other similar payments in return for the use of patents, know-how or other rights, or by way of commission or other charges, for specific services performed or for management, or, except in the case of a banking enterprise, by way of interest on moneys lent to the permanent establishment. Likewise, no account shall be taken in the determination of the profits of a permanent establishment, for amounts charged (otherwise than towards reimbursement of actual expenses), by the permanent establishment to the head office of the enterprise or any of its other offices, by way of royalties, fees or other similar payments in return for the use of patents, know-how or other rights, or by way of commission or other charges for specific services performed or for management, or, except in the case of a banking enterprise, by way of interest on moneys lent to the head office of the enterprise or any of its other offices.

4. Subject to the provisions of paragraph 3, insofar as it has been customary in a Contracting State to determine the profits to be attributed to a permanent establishment on the basis of an apportionment of the total profits of the enterprise to its various parts, nothing in paragraph 2 shall preclude that Contracting State from determining the profits to be taxed by such an apportionment as may be customary; the method of apportionment adopted shall, however, be such that the result shall be in accordance with the principles contained in this Article.

5. No profits shall be attributed to a permanent establishment by reason of the mere purchase by that permanent establishment of goods or merchandise for the enterprise.

6. For the purposes of the preceding paragraphs, the profits to be attributed to the permanent establishment, shall be determined by the same method year by year unless there is good and sufficient reason to the contrary.

7. Where profits include items of income which are dealt with separately in other Articles of this Agreement, then the provisions of those Articles shall not be affected by the provisions of this Article.

ARTICLE 8 : *Shipping and air transport* - 1. Profits derived by an enterprise of a Contracting State from the operation by that enterprise of ships or aircraft in international traffic shall be taxable only in that State.

2. Notwithstanding the provisions of paragraph 1 and of Article 7, profits derived by an enterprise of a Contracting State from a voyage of a ship or aircraft where the principal purpose of the voyage is to transport passengers or property between places in the other Contracting State may be taxed in that other State.

3. For the purposes of this Article, profits from the operation of ships or aircraft in international traffic shall mean profits derived by an enterprise described in paragraph 1 from the transportation by sea or air respectively of passengers, mail, livestock or goods carried on by owners or lessees or charterers of ships or aircraft including :

- (a) the sale of tickets for such transportation on behalf of other enterprises;
- (b) other activity directly connected with such transportation; and

4. Profits of an enterprise of a Contracting State described in paragraph 1 from the use, maintenance, or rental of containers (including trailers, barges, and related equipment for the transport of containers) used in connection with the operation of ships or aircraft in international traffic shall be taxable only in that State.

5. The provisions of paragraphs 1 and 4 shall also apply to profits from participation in a pool, a joint business, or an international operating agency.

6. For the purposes of this Article, interest on funds connected with the operation of ships or aircraft in international traffic shall be regarded as profits derived from the operation of such ships or aircraft, and the provisions of Article 11 shall not apply in relation to such interest.

7. The provisions of this Article shall not apply to a drilling rig or any vessel the principal function of which is the performance of activities other than the transportation of goods or passengers.

ARTICLE 9 : *Associated enterprises* - 1. Where—

- (a) an enterprise of a Contracting State participates directly or indirectly in the management, control or capital of an enterprise of the other Contracting State, or
- (b) the same persons participate directly or indirectly in the management, control or capital of an enterprise of a Contracting State and an enterprise of the other Contracting State,

and in either case conditions are made or imposed between the two enterprises in their commercial or financial relations which differ from those which would be made between independent enterprises, then any income which would, but for those conditions, have accrued to one of the enterprises, but, by reason of those conditions, have not so accrued, may be included in the income of that enterprise and taxed accordingly.

2. Where a Contracting State includes in the income of an enterprise of that State - and taxes accordingly - income on which an enterprise of the other Contracting State has been charged to tax in that other State and the income so included is income which would have accrued to the enterprise of the first-mentioned State if the conditions made between the two enterprises had been those which would have been made between independent enterprises, then that other State shall make an appropriate adjustment to the amount of the tax charged therein on that income. In determining such adjustment, due regard shall be had to the other provisions of this Agreement and the competent authorities of the Contracting States shall if necessary consult each other.

3. A Contracting State shall not change the income of an enterprise in the circumstances referred to in paragraph 1 after the expiry of the time-limits provided in its national laws and, in any case, after five years from the end of the year in which the income which would be subject to such charge would, but for the conditions referred to in paragraph 1, have accrued to that enterprise.

4. The provisions of paragraphs 2 and 3 shall not apply in the case of fraud, wilful default or neglect.

ARTICLE 10 : *Dividends* - 1. Dividends paid by a company which is a resident of a Contracting State to a resident of the other Contracting State may be taxed in that other State.

2. However, such dividends may also be taxed in the Contracting State of which the company paying the dividends is a resident, and according to the laws of that State, but if the recipient is the beneficial owner of the dividends the tax so charged shall not exceed :

(a) 15 per cent of the gross amount of the dividends if the beneficial owner is a company which controls directly or indirectly at least 10 per cent of the voting power in the company paying the dividends;

(b) 25 per cent of the gross amount of the dividends in all other cases.

3. The provisions of paragraphs 1 and 2 shall not affect the taxation of the company on the profits out of which the dividends are paid.

4. The term 'dividends' as used in this Article means income from shares or other rights, not being debt-claims, participating in profits, as well as income assimilated to income from shares by the taxation law of the State of which the company making the distribution is a resident.

5. The provisions of paragraphs 1 and 2 shall not apply if the beneficial owner of the dividends, being a resident of a Contracting State, carries on business in the other Contracting State of which the company paying the dividends is a resident, through a permanent establishment situated therein, or performs in that other State independent personal services from a fixed base situated therein, and the holding in respect of which the dividends are paid is effectively connected with such permanent establishment or fixed base. In such case, the provisions of Article 7 or Article 14, as the case may be, shall apply.

6. Where a company which is a resident of a Contracting State derives profits or income from the other Contracting State, that other State may not impose any tax on dividends paid by the company, except insofar as such dividends are paid to be a resident of that

other State or insofar as the holding in respect of which the dividends are paid is effectively connected with a permanent establishment or a fixed base situated in that other State, nor subject the company's undistributed profits to a tax on the company's undistributed profits, even if the dividends paid or the undistributed profits consist wholly or partly of profits or income arising in such other State.

ARTICLE 11 : *Interest* - 1. Interest arising in a Contracting State and paid to a resident of the other Contracting State may be taxed in that other State.

2. However, such interest may also be taxed in the Contracting State, in which it arises and according to the laws of that State, but if the recipient is the beneficial owner of the interest, the tax so charged shall not exceed 15 per cent of the gross amount of the interest.

3. Notwithstanding the provisions of paragraph 2,

(a) interest arising in a Contracting State and paid to a resident of the other Contracting State shall be exempt from tax in the first-mentioned State if :

(i) the payer of the interest is the Government of that Contracting State or of a political sub-division or local authority thereof;

(ii) the beneficial owner of the interest is the central bank of the other Contracting State; or

(iii) the interest is paid to an agency or instrumentality (including a financial institution) which may be agreed upon in letters exchanged between the competent authorities of the Contracting States.

(b) (i) interest arising in India and paid to a resident of Canada shall be taxable only in Canada if it is paid in respect of a loan made, guaranteed or insured, or a credit extended, guaranteed or insured by the Export Development Corporation; or

(ii) interest arising in Canada and paid to a resident of India shall be taxable only in India if it is paid in respect of a loan made, guaranteed or insured, or a credit extended, guaranteed or insured by the Export-Import Bank of India (Exim Bank).

4. The term 'interest' as used in this Article means income from debt-claims of every kind, whether or not secured by mortgage, and in particular, income from Government securities and income from bonds or debentures, including premiums and prizes attaching to such securities, bonds or debentures, as well as income assimilated to income from money lent by the taxation laws of the State in which the income arises. However, the term 'interest' does not include income dealt with in Article 8 or in Article 10.

5. The provisions of paragraphs 1 and 2 shall not apply if the beneficial owner of the interest, being a resident of a Contracting State, carries on business in the other Contracting State in which the interest arises, through a permanent establishment situated therein, or performs in that other State independent personal services from a fixed base situated therein, and the debt-claim in respect of which the interest is paid is effectively connected with such permanent establishment or fixed base. In such case, the provisions of Article 7 or Article 14, as the case may be, shall apply.

6. Interest shall be deemed to arise in a Contracting State when the payer is that State itself, a political sub-division, a local authority or a resident of that State. Where, however, the person paying the interest, whether he is a resident of a Contracting State or not, has in a Contracting State a permanent establishment or a fixed base in connection with which the indebtedness on which the interest is paid was incurred, and such interest is borne by such permanent establishment or fixed base, then such interest shall be deemed to arise in the State in which the permanent establishment or fixed base is situated.

7. Where, by reason of a special relationship between the payer and the beneficial owner or between both of them and some other person, the amount of the interest, having regard to the debt-claim for which it is paid, exceeds the amount which would have been agreed upon by the payer and the beneficial owner in the absence of such relationship, the provisions of this Article shall apply only to the last-mentioned amount. In such case, the excess part of the payments shall remain taxable according to the law of each Contracting State, due regard being had to the other provisions of this Agreement.

ARTICLE 12 : *Royalties and fees for included services* - 1. Royalties and fees for included services arising in a Contracting State and paid to a resident of the other Contracting State may be taxed in that other State.

2. However, such royalties and fees for included services may also be taxed in the Contracting State in which they arise and according to the laws of that State; but if the beneficial owner of the royalties or fees for included services is a resident of the other Contracting State, the tax so charged shall not exceed :

- (a) in the case of royalties referred to in sub-paragraph (a) of paragraph 3 and fees for included services as defined in this Article (other than services described in sub-paragraph (b) of this paragraph) :
  - (i) during the first five taxable years for which this Agreement has effect,
    - (A) 15 per cent of the gross amount of the royalties or fees for included services as defined in this Article, where the payer of the royalties or fees is the Government of that Contracting State, a political sub-division or a public sector company; and
    - (B) 20 per cent of the gross amount of the royalties or fees for included services in all other cases; and
  - (ii) during the subsequent years, 15 per cent of the gross amount of the royalties or fees for included services; and
- (b) in the case of royalties referred to in sub-paragraph (b) of paragraph 3 and fees for included services as defined in this Article that are ancillary and subsidiary to the enjoyment of the property for which payment is received under paragraph 3(b) of this Article, 10 per cent of the gross amount of the royalties or fees for included services.

3. The term 'royalties' as used in this Article means :

- (a) payment of any kind received as a consideration for the use of, or the right to use, any copyright of a literary, artistic, or scientific work including cinematograph films or work on film tape or other means of reproduction for use in connection with radio

or television broadcasting, any patent, trademark, design or model, plan, secret formula or process, or for information concerning industrial, commercial or scientific experience, including gains derived from the alienation of any such right or property which are contingent on the productivity, use, or disposition thereof; and

(b) payments of any kind received as consideration for the use of, or the right to use, any industrial, commercial, or scientific equipment, other than payments derived by an enterprise described in paragraph 1 of Article 8 from activities described in paragraph 3(c) or 4 of Article 8.

4. For the purposes of this Article, 'fees for included services' means payments of any kind to any person in consideration for the rendering of any technical or consultancy services (including through the provision of services of technical or other personnel) if such services :

(a) are ancillary and subsidiary to the application or enjoyment of the right, property or information for which a payment described in paragraph 3 is received; or

(b) make available technical knowledge, experience, skill, know-how, or processes or consist of the development and transfer of a technical plan or technical design.

5. Notwithstanding paragraph 4, 'fees for included services' does not include amount paid :

(a) for services that are ancillary and subsidiary, as well as inextricably and essentially linked, to the sale of property other than a sale described in paragraph 5(a);

(b) for services that are ancillary and subsidiary to the rental of ships, aircraft, containers or other equipment used in connection with the operation of ships or aircraft in international traffic;

(c) for teaching in or by educational institutions;

(d) for services for the personal use of the individual or individuals making the payment; or

(e) to an employee of the person making the payments or to any individual or firm of individuals (other than a company) for professional services as defined in Article 14.

6. The provisions of paragraphs 1 and 2 shall not apply if the beneficial owner of the royalties or fees for included services, being a resident of a Contracting State, carries on business in the other Contracting State in which the royalties or the fees for included services arise, through a permanent establishment situated therein, or performs in that other State independent personal services from a fixed base situated therein, and the right, property or contract in respect of which the royalties or fees for included services are paid is effectively connected with such permanent establishment or fixed base. In such a case the provisions of Article 7 or Article 14, as the case may be, shall apply.

7. Royalties and fees for included services shall be deemed to arise in a Contracting State when the payer is that State itself, a political sub-division, a local authority or a resident of that State. Where, however, the person paying the royalties or the fees for included services, whether he is a resident of a Contracting State or not, has in a Contracting State a permanent establishment or a fixed base in connection with which the obligation to pay the royalties or the fees for included services was incurred, and such royalties or fees for included services are borne by that permanent establishment

or fixed base, then such royalties or fees for included services shall be deemed to arise in the Contracting State in which the permanent establishment or fixed base is situated.

8. Where by reason of a special relationship between the payer and the beneficial owner or between both of them and some other person, the amount of the royalties or fees for included services, having regard to the use, right, information or services for which they are paid, exceeds the amount which would have been agreed upon by the payer and the beneficial owner in the absence of such relationship, the provisions of this Article shall apply only to the last mentioned amount. In that case, the excess part of the payments shall remain taxable according to the law of each Contracting State, due regard being had to the other provisions of this Agreement.

ARTICLE 13 : *Capital gains* - 1. Gains from the alienation of ships or aircraft operated in international traffic by an enterprise of a Contracting State and movable property pertaining to the operation of such ships or aircraft, shall be taxable only in that State.

2. Gains from the alienation of any property, other than those referred to in paragraph 1 may be taxed in both Contracting States.

ARTICLE 14 : *Independent personal services* - 1. Income derived by an individual or a firm of individuals (other than a company) who is a resident of a Contracting State in respect of professional services or other independent activities of a similar character shall be taxable only in that State. However, in the following circumstances, such income may be taxed in the other Contracting State, that is to say :

- (b) if his stay in the other Contracting State is for a period or periods amounting to or exceeding in the aggregate 183 days in the relevant fiscal year; or
- (c) if the remuneration for the services in the other Contracting State is either derived from residents of that other Contracting State or is borne by a permanent establishment which a person not resident in that other Contracting State has in that other Contracting State and such remuneration exceeds two thousand five hundred Canadian dollars (\$2,500) or its equivalent in Indian currency in the relevant fiscal year.

2. The term 'professional services' includes independent scientific, literary, artistic, educational or teaching activities as well as the independent activities of physicians, surgeons, lawyers, engineers, architects, dentists and accountants.

ARTICLE 15 : *Dependent personal services* - 1. Subject to the provisions of Articles 16, 18 and 19, salaries, wages and other similar remuneration derived by a resident of a Contracting State in respect of an employment shall be taxable only in that State unless the employment is exercised in the other Contracting State. If the employment is so exercised, such remuneration as is derived therefrom may be taxed in that other State.

2. Notwithstanding the provisions of paragraph 1, remuneration derived by a resident of a Contracting State in respect of an employment exercised in the other Contracting State shall be taxable only in the first-mentioned State if :

Notwithstanding the provisions of Articles 7, 14 and 15, income derived by a resident of a Contracting State as an entertainer, such as a theatre, motion picture, radio or television artiste or a musician, or an athlete, from his personal activities as such exercised in the other Contracting State, may be taxed in that other State.

2. Where income in respect of personal activities exercised in a Contracting State by an entertainer or an athlete accrues not to the entertainer or athlete himself but to another person which provides the activities in that State, that income may, notwithstanding the provisions of Articles 7, 14 and 15, be taxed in that Contracting State unless the entertainer, athlete, or other person establishes that neither the entertainer or athlete nor persons related thereto participate directly or indirectly in the profits of that other person in any manner, including the receipt of deferred remuneration, bonuses, fees, dividends, partnership distributions, or other distributions.

3. The provisions of paragraphs 1 and 2 shall not apply if the visit to a Contracting State of the entertainer or the athlete is directly or indirectly supported, wholly or substantially, from the public funds of the other Contracting State, including any political sub-division, local authority or statutory body of that other State.

ARTICLE 18 : *Pensions* - 1. Pensions arising in a Contracting State shall be taxable only in that State.

2. Pensions shall be deemed to arise in a Contracting State when the payer is that State itself, a political sub-division, a local authority or a resident of that State.

ARTICLE 19 : *Government service* - 1. (a) Salaries, wages and similar remuneration, other than a pension, paid by a Contracting State or a political sub-division or a local authority thereof to an individual in respect of services rendered to that State or sub-division or authority, in any other State (including the other Contracting State) shall be taxable only in the first-mentioned State.

(b) However, such salaries, wages or similar remuneration shall be taxable only in the other Contracting State if the services are rendered in that other State and the individual is a resident of that other State who :

- (i) is a national of that other State ; or

(ii) did not become a resident of that other State solely for the purpose of rendering the services.

2. The provisions of paragraph 1 shall not apply to salaries, wages and similar remuneration in respect of services rendered in connection with a business carried on by a Contracting State or a political sub-division or a local authority thereof.

ARTICLE 20 : *Students and apprentices* - Payments which a student, apprentice or business trainee who is, or was immediately before visiting a Contracting State, a resident of the other Contracting State and who is present in the first-mentioned State solely for the purpose of his education or training receives for the purpose of his maintenance, education or training shall not be taxed in the first-mentioned State, provided that such payments are made to him from sources outside that State.

ARTICLE 21 : *Other income* - 1. Items of income of a resident of a Contracting State, wherever arising, not dealt with in the foregoing Articles of this Agreement shall be taxable only in that State.

2. The provisions of paragraph 1 shall not apply to income, other than income from immovable property as defined in paragraph 2 of Article 6, if the recipient of such income, being a resident of a Contracting State, carries on business in the other Contracting State through a permanent establishment situated therein, or performs in that other State independent personal services from a fixed base situated therein, and the right or property in respect of which the income is paid is effectively connected with such permanent establishment or fixed base. In such case, the provisions of Article 7 or Article 14, as the case may be, shall apply.

3. Notwithstanding the provisions of paragraphs 1 and 2, items of income of a resident of a Contracting State not dealt with in the foregoing Articles, and arising in the other Contracting State, may be taxed in that other State. However, in the case of income derived from an estate or a trust (other than a trust to which contributions were deductible for tax purposes), the tax so charged shall, provided that the income is taxable in the Contracting State in which the beneficiary is a resident, not exceed 15 per cent of the gross amount of the income.

#### **IV. TAXATION OF CAPITAL**

ARTICLE 22 : *Capital* - 1. Capital represented by ships and aircraft operated by a resident of a Contracting State in international traffic and by movable property pertaining to the operation of such ships and aircraft, shall be taxable only in that state.

2. All other elements of capital of a resident of a Contracting State may be taxed in both Contracting States.

#### **V. METHODS FOR PREVENTION OF DOUBLE TAXATION**

ARTICLE 23 : *Elimination of double taxation* - 1. The laws in force in either of the Contracting States will continue to govern the taxation of income in the respective Contracting States except where provisions to the contrary are made in this Agreement.

2. In the case of Canada, double taxation shall be avoided as follows :

(a) Subject to the existing provisions of the law of Canada regarding the deduction from tax payable in Canada of tax paid in a territory outside Canada and to any subsequent modification of those provisions - which shall not affect the general

principle hereof - and unless a greater deduction or relief is provided under the laws of Canada, tax payable in India on profits, income or gains arising in India shall be deducted from any Canadian tax payable in respect of such profits, income or gains.

- (b) Subject to the existing provisions of the law of Canada regarding the determination of the exempt surplus of a foreign affiliate and to any subsequent modification of those provisions - which shall not affect the general principle hereof - for the purpose of computing Canadian tax, a company which is a resident of Canada shall be allowed to deduct in computing its taxable income any dividend received by it out of the exempt surplus of a foreign affiliate which is a resident of India.
- (c) Where a resident of Canada owns capital which, in accordance with the provisions of the Agreement may be taxed in India, Canada shall allow as a deduction from the tax on capital of that resident an amount equal to the capital tax paid in India. Such deduction shall not, however, exceed that part of the capital tax (as computed before the deduction is given) which is attributable to the capital which may be taxed in India.
- (d) Where in accordance with any provision of the Agreement, income derived or capital owned by a resident of Canada is exempt from tax in Canada, Canada may nevertheless, in calculating the amount of tax on the remaining income or capital of such resident, take into account the exempted income or capital.

3. In the case of India, double taxation shall be avoided as follows :

- (a) The amount of Canadian tax paid, under the laws of Canada and in accordance with the provisions of the Agreement, whether directly or by deduction, by a resident of India, in respect of income from sources within Canada which has been subjected to tax both in India and Canada shall be allowed as a credit against the Indian tax payable in respect of such income but in an amount not exceeding that proportion of Indian tax which such income bears to the entire income chargeable to Indian tax.
- (b) Where a resident of India owns capital, which, in accordance with the provisions of the Agreement, may be taxed in Canada, India shall allow as a deduction from the tax on the capital of that resident an amount equal to the capital tax paid in Canada. Such deduction shall not, however, exceed that part of the capital tax (as computed before the deduction is given) which is attributable to the capital which may be taxed in Canada :

**Provided** that income which in accordance with the provisions of the Agreement is not to be subjected to tax may be taken into account in calculating the rate of tax imposed.

4. For the purposes of paragraph 2(a), the term 'tax payable in India' shall, with respect to a company which is a resident of Canada, be deemed to include any amount which would have been payable as Indian tax but for a deduction allowed in computing the taxable income or an exemption or reduction of tax granted for that year under :

- (a) sections 10(15)(iv), 10A, 32A (but not the part dealing with ships and aircraft), 80HH, 80HHD and 80-IA (but not the part dealing with ships) of the Income-tax Act, 1961, as amended, so far as they were in force on and have not been modified

since the date of signature of the Agreement, or have been modified only in minor respects so as not to affect their general character.

- (b) any other provision which may subsequently be made granting an exemption or reduction from tax which is agreed by the competent authorities of the Contracting States to be of a substantially similar character, if it has not been modified thereafter or has been modified only in minor respects so as not to affect its general character :

**Provided** that relief from Canadian tax shall not be given by virtue of this paragraph in respect of income from any source if the income relates to a period starting more than ten fiscal years after the exemption from, or reduction of, Indian tax is first granted to the resident of Canada, in respect of that source.

5. For the purposes of this Article, profits, income or gains of a resident of a Contracting State which are taxed in the other Contracting State in accordance with the Agreement shall be deemed to arise from sources in that other State.

## VI. SPECIAL PROVISIONS

ARTICLE 24 : *Non-discrimination* - 1. Nationals of a Contracting State shall not be subjected in the other Contracting State to any taxation or any requirement connected therewith, which is other or more burdensome than the taxation and connected requirements to which nationals of that other State in the same circumstances are or may be subjected.

2. The taxation on a permanent establishment which an enterprise of a Contracting State has in the other Contracting State shall not be less favourably levied in that other State than the taxation levied on enterprises of that other State carrying on the same activities.

3. Nothing in this Article shall be construed as obliging a Contracting State to grant to residents of the other Contracting State any personal allowances, reliefs and reductions for taxation purposes on account of civil status or family responsibilities which it grants to its own residents.

4. (a) Nothing in this Agreement shall be construed as preventing Canada from imposing on the earnings of a company, which is a resident of India, attributable to a permanent establishment in Canada, a tax in addition to the tax which would be chargeable on the earnings of a company which is a national of Canada, provided that any additional tax so imposed shall not exceed the rate specified in sub-paragraph 2(a) of Article 10 of the amount of such earnings which have not been subjected to such additional tax in previous taxation years. For the purpose of this provision, the term 'earnings' means the profits attributable to a permanent establishment in Canada in a year and previous years after deducting therefrom all taxes, other than the additional tax referred to herein, imposed on such profits by Canada.

The provisions of this sub-paragraph shall also apply with respect to earnings from the disposition of immovable property situated in Canada by a company carrying on a trade in immovable property without a permanent establishment in Canada but only insofar as these earnings may be taxed in Canada under the provisions of Article 6 or paragraph 2 of Article 13.

(b) A company which is a resident of Canada may be subject to tax in India at a rate higher than that applicable to Indian domestic companies. The difference in tax rate shall not, however, exceed 15 percentage points.

5. Enterprises of a Contracting State, the capital of which is wholly or partly owned or controlled, directly or indirectly, by one or more residents of the other Contracting State, shall not be subjected in the first-mentioned State to any taxation or any requirement connected therewith which is other or more burdensome than the taxation and connected requirements to which other similar enterprises of the first-mentioned State, the capital of which, wholly or partly owned or controlled, directly or indirectly, by one or more residents of a third State, are or may be subjected.

6. In this Article, the term 'taxation' means taxes which are the subject of this Agreement.

ARTICLE 25 : *Mutual agreement procedure* - 1. Where a resident of a Contracting State considers that the actions of one or both of the Contracting States result or will result for him in taxation not in accordance with the provisions of this Agreement, he may, irrespective of the remedies provided by the domestic law of those States, present his case in writing to the competent authority of the Contracting State of which he is a resident. The case must be presented within two years from the first notification of the action which gives rise to taxation not in accordance with the Agreement.

2. The competent authority referred to in paragraph 1 shall endeavour, if the objection appears to it to be justified and if it is not itself able to arrive at a satisfactory solution, to resolve the case by mutual agreement with the competent authority of the other Contracting State, with a view to the avoidance of taxation which is not in accordance with the Agreement.

3. The competent authorities of the Contracting States shall endeavour to resolve by mutual agreement any difficulties or doubts arising as to the interpretation or application of the Agreement.

4. The competent authorities of the Contracting States may consult together for the elimination of double taxation in cases not provided for in the Agreement.

ARTICLE 26 : *Exchange of information* - 1. The competent authorities of the Contracting States shall exchange such information as is necessary for the carrying out of this Agreement or of the domestic laws of the Contracting States (including the provisions thereof dealing with the prevention of fiscal evasion or fraud) concerning taxes covered by the Agreement insofar as the taxation thereunder is not contrary to the Agreement. The exchange of information is not restricted by Article 1. Any information received by a Contracting State shall be treated as secret in the same manner as information obtained under the domestic laws of that State and shall be disclosed only to persons or authorities (including courts and administrative bodies) involved in the assessment or collection of, the enforcement in respect of, or the determination of appeals in relation to, the taxes covered by the Agreement. Such persons or authorities shall use the information only for such purposes. They may disclose the information in public court proceedings or in judicial decisions.

2. In no case shall the provisions of paragraph 1 be construed so as to impose on a Contracting State the obligation :

- (a) to carry out administrative measures at variance with the laws and the administrative practice of that or of the other Contracting State ;
- (b) to supply information which is not obtainable under the laws or in the normal course of the administration of that or of the other Contracting State ;
- (c) to supply information which would disclose any trade, business, industrial, commercial or professional secret or trade process, or information, the disclosure of which would be contrary to public policy (*ordre public*).

3. If information is requested by a Contracting State in accordance with the provisions of this Article, the other Contracting State shall endeavour to obtain the information to which the request relates in the same way as if its own taxation was involved notwithstanding the fact that the other State does not, at that time, need such information. If specifically requested by the competent authority of a Contracting State, the competent authority of the other Contracting State shall endeavour to provide information under this Article in the form requested, such as depositions of witnesses and copies of unedited original documents (including books, papers, statements, records, accounts or writings), to the same extent such depositions and documents can be obtained under the laws and administrative practices of that other State with respect to its own taxes.

ARTICLE 27 : *Diplomatic agents and consular officers* - Nothing in this Agreement shall affect the fiscal privileges of diplomatic agents or consular officers under the general rules of international law or under the provisions of special agreements.

ARTICLE 28 : *Miscellaneous rules* - 1. The provisions of this Agreement shall not be construed to restrict in any manner any exclusion, exemption, deduction, credit or other allowance now or hereafter accorded by the laws of a Contracting State in the determination of the tax imposed by that State.

2. The competent authorities of the Contracting States may communicate with each other directly for the purpose of applying the Agreement.

3. With respect to paragraph 3 of Article XXII of the General Agreement on Trade in Services, the Contracting States agree that, notwithstanding that paragraph, any dispute between them as to whether a measure relating to a tax to which any provision of this Agreement applies falls within the scope of this Agreement may be brought before the Council for Trade in Services, as provided by that paragraph, only with the consent of both Contracting States.

## **VII. FINAL PROVISIONS**

ARTICLE 29 : *Entry into force* - 1. The Governments of the Contracting States shall notify each other that the constitutional requirements for the entry into force of this Agreement have been complied with.

2. The Agreement shall enter into force upon the date of the later of the notifications referred to in paragraph 1 and its provisions shall have effect :

(a) in Canada :

- (i) in respect of tax withheld at the source on amounts paid or credited to non-residents on or after the first day of January in the calendar year next following that in which the Agreement enters into force; and

(ii) in respect of other Canadian tax for taxation years beginning on or after the first day of January in the calendar year next following that in which the Agreement enters into force;

(b) in India :

(i) in respect of income arising in any taxable year beginning on or after the first day of April in the calendar year next following that in which the Agreement enters into force; and

(ii) in respect of capital which is held at the end of any fiscal year beginning on or after the first day of April in the calendar year next following that in which the Agreement enters into force.

3. The provisions of the Agreement between the Government of India and the Government of Canada for the avoidance of double taxation and the prevention of fiscal evasion with respect to taxes on income signed at New Delhi on the 30th day of October, 1985 (hereinafter referred to as "the 1985 Agreement") shall cease to have effect with respect to taxes to which this Agreement applies in accordance with the provisions of paragraph 2.

4. The 1985 Agreement shall terminate on the last day on which it has effect in accordance with the foregoing provisions of this Article.

ARTICLE 30 : *Termination* - This Agreement shall continue in effect indefinitely but either Contracting State may, on or before June 30 in any calendar year after expiry of five years from the year in which it enters into force, give notice of termination to the other Contracting State and in such event, the Agreement shall cease to have effect :

(a) in Canada :

(i) in respect of tax withheld at the source on amounts paid or credited to non-residents on or after the first day of January in the next following calendar year; and

(ii) in respect of other Canadian tax for taxation years beginning on or after the first day of January in the next following calendar year;

(b) in India :

(i) in respect of income arising in any taxable year beginning on or after the first day of April in the next following calendar year; and

(ii) in respect of capital which is held at the end of any fiscal year beginning on or after the first day of April in the next following calendar year.

## PROTOCOL

At the signing of the Agreement between the Government of the Republic of India and the Government of Canada for the Avoidance of Double Taxation and the Prevention of Fiscal Evasion with respect to Taxes on Income and on Capital, the undersigned have agreed upon the following provisions which shall be an integral part of the Agreement :

1. It is understood that the term 'fiscal year' in relation to Indian tax, means 'previous year' as defined in the Income-tax Act, 1961.
2. It is understood that the provisions of paragraph 1 of Article 6, also apply to income, other than capital gains, derived from the alienation of immovable property.
3. It is understood that where an enterprise of a Contracting State has a permanent establishment in the other Contracting State in accordance with the provisions of paragraph 2(j), 2(k) or 2(l) of Article 5, and the time period referred to in that paragraph extends over two taxable years, a permanent establishment shall not be deemed to exist in a year, if any, in which the use, site, project or activity, as the case may be, continues for a period or periods aggregating less than 30 days in that taxable year. ## ANNEX TO 1986 AGREEMENT

*Amendment of provisions relating to rate of tax on royalties and fees for technical services under Double Taxation Agreement with Canada*

1. The existing tax treaty with Canada was signed on 30-10-1985 and notified on 25-9-1986, Para 2 of Article 13 of the Agreement provides the rate of taxation at 30 per cent in respect of royalties and fees for technical services in the country where the same arises. Para 4 of the Protocol to the said Agreement reads as below :—

“With reference to paragraph 2 of Article 13, in the event that pursuant to an Agreement or a Convention concluded with a State which is a member of the Organisation for Economic Co-operation and Development after the date of

signature of this Agreement India would accept a rate lower than 30 per cent for the taxation of royalties or fees for technical services paid by a resident of India to a resident of that State, it is understood that such lower rate will automatically be applied for the taxation of royalties and fees for technical services paid by a resident of India to a resident of Canada where the royalties or fees for technical services are paid in respect of a right or property which is first granted, or under a contract which is signed, after the date of entry into force of the first-mentioned Agreement or Convention.”

**2.** Subsequent to the signing of the Agreement with Canada, India has entered into Agreements with other OECD countries wherein the rate of taxation in respect of royalties and fees for technical services has been agreed at 20 per cent of the gross amount. The revised Agreement with Sweden, which came into force on 12-12-1988, is the first of such Agreements. Accordingly, after consultation with the Canadian Government, a notification has been issued on 24-6-1992, notifying that the rate of tax of 20 per cent will be applicable to royalties and fees for technical services paid by a resident of India to a resident of Canada. This reduced rate will be applicable to payments made in respect of the right or property which is first granted or under a contract which is signed, after 12-12-1988. A copy of the notification bearing GSR No. 635(E), dated 24-6-1992 is enclosed.

**3.** The Canadian Government have also passed Remission Order dated 3-12-1991 making the revised rate as above applicable to Indian residents as well in respect of royalties or fees for technical services paid by a Canadian resident. A copy of this order is enclosed.

#### EXPLANATORY NOTE

*(This note is not part of the Order)*

This remission order effectively lowers the rate of non-resident withholding tax payable under Part XIII of the Income-tax Act from 25 per cent to 20 per cent with respect to royalties or fees paid or credited in respect of a right or property which is first granted, or under a contract which is signed, after 12-12-1988 to residents of India for technical services.

Canada and India are reviewing their tax treaty and will be re-examining rates of non-resident withholding tax. Pending conclusion of those negotiations, this remission order will provide residents of India with the same rate of non-resident withholding tax on fees or royalties for technical services as it provided by India for residents of Canada on such fees or royalties.

Statistics are not available on the annual levels of royalty payments distributed to Indian residents and the associated withholding taxes. Therefore, the annual revenue cost of a five percentage point reduction in the withholding tax levied on such royalties must be based on a breakdown of related but more aggregated data. Using the best information available, the annual cost of this remission order would almost certainly be less than \$ 1 million and would likely not exceed \$ 50,000.

*ORDER RESPECTING THE REMISSION OF INCOME-TAX, INTEREST AND  
PENALTIES ON ROYALTIES OR FEES RECEIVED FROM CANADA BY RESIDENTS  
OF INDIA FOR TECHNICAL SERVICES*

**Short title**

1. This Order may be cited as the residents of India Remission Order.

**Interpretation**

2. In this Order,

“Act” means the Income-tax Act; (*Loi*)

“Agreement” means the Agreement between the Government of Canada and the Government of India for the Avoidance of Double Taxation and the Prevention of Fiscal Evasion with respect to Taxes on income set out in Schedule III to Chapter 7 of the Statutes of Canada, 1986; (*Accord*)

“Person” has the meaning assigned by paragraph 1(c) of Article 3 of the Agreement (*personne*).

**Remission**

3. Remission is hereby granted to any person who is a resident of India, within the meaning of the Agreement, for any amount paid or credited to that person in respect of royalties in relation to a right or property that is granted after 12-12-1988 or in respect of fees for technical services under a contract that is signed after that date, of an amount equal to the amount by which—

(a) the aggregate of the taxes, interest and penalties payable by that person under the Act with respect to the amount so paid or credited,

exceeds

(b) the aggregate of the taxes, interest and penalties that would have been payable by that person under the Act with respect to the amount so paid or credited, if the reference to a rate of 30 per cent in paragraph 2 of Article 13 of the Agreement were read as a reference to a rate of 20 per cent.

His Excellency the Governor General in Council, considering that it is in the public interest on the recommendation of the Minister of Finance pursuant to section 23(2) of the Financial Administration Act is pleased hereby to make the annexed Order respecting the remission of income-tax, interest and penalties on royalties or fees received from Canada by residents of India for technical services.

**Notification :** *No. GSR 635(E), dated 24-6-1992.*

Whereas paragraph 4 of the Protocol to the Agreement between the Government of India and the Government of Canada for the avoidance of double taxation and the prevention of fiscal evasion with respect to taxes on income which was notified by the Government of India in the Ministry of Finance (Department of Revenue) in the Gazette of India, Extraordinary, Part II, section 3, sub-section (*i*) *vide* No. GSR 1108(E), dated 25-9-1986, provides that in the event that pursuant to an Agreement or a Convention concluded with a State which is a member of the Organisation for Economic Co-operation and Development after the date of signature of the Agreement, that is 30-10-1985. India would accept a rate lower than 30 per cent for the taxation of royalties or fees for technical services paid by a resident of India to a resident of that State, such

lower rate would automatically be applied for the taxation of royalties and fees for technical services paid by a resident of India to a resident of Canada where such payment is made in respect of a right or property which is first granted, or under a contract which is signed after the date of entry into force of the first-mentioned agreement.

And whereas in the Convention with the Government of the Kingdom of Sweden, which is a member of the Organisation for Economic Co-operation and Development, and which entered into force on 12-12-1988, the Government of India has accepted the rate of 20 per cent for the taxation of royalties and fees for technical services;

Now, therefore, in exercise of the powers conferred by section 90 of the Income-tax Act, 1961 (43 of 1961) and section 24A of the Companies (Profits) Surtax Act, 1964 (7 of 1964), the Central Government hereby directs that the rate of taxation of royalties and fees for technical services paid by a resident of India to a resident of Canada, where such payment is made in respect of a right or property which is first granted, or under a contract which is signed, after 12-12-1988 shall be twenty per cent.
